Environmental Explorer School Course Selection Sheet

Hi Explorers! This course selection sheet will help you keep track of the classes you want to take in order to receive your certificate of completion.

- Prerequisites are mostly just required tasks that everyone must complete, but do not count towards the 8 courses you get to choose!
- You are encouraged to take as many courses as you want; this is just an outline for the minimum requirement.

EXPLORER INFORMATION

First Name		Last Name	
Start Date		EES Graduation Date	
School Name		Grade
